3

WHAT'S NEW THIS ROUND?

At Suzuka, Dunlop will support six Japanese teams in Formula EWC plus four full-season EWC teams travelling from Europe: #2 Tati Team Beringer Racing Honda, #37 BMW Motorrad World Endurance Team, #65 Motobox Kremer Racing Yamaha and #99 KM99 Yamaha.

In the Superstock category, all fourteen teams will race on Dunlop tires, including the three teams travelling from Europe: #25 Team Étoile BMW, #55 National Motos Honda and #777 Wójcik Racing Team Honda. For the first time in 2024, Superstock points earned at the Suzuka 8 Hours will count towards the FIM Endurance World Cup.

The Dunlop operation brings together expertise from Europe and Japan, offering a diverse range of tires to ensure each team receives familiar products and comprehensive support throughout the event.

DUNLOP TIRE SUPPORT PACKAGE

European Superstock teams competing in the Suzuka 8 Hours will benefit from a tire support package offered jointly by Dunlop and FIM Endurance World Championship promoter Warner Bros Discovery Sports. As part of the initiative, ten sets of tires will be provided as sponsorship to each Superstock team contesting the third event of the EWC season, incentivising their participation in the prestigious 8 Hour race.

Nestled in the Mie Prefecture of Japan, Suzuka Circuit is renowned for its unique figure-of-eight layout and demanding corners that test the skills of every rider.

The Esses that dominate the first sector give way to a series of technical and tight corners in sector two, featuring the slow hairpin at turn 11. Riders then navigate their way to the long back straight and the infamous, fast sweeping 130R left-hander at turn 15. The lap concludes with the tight chicane of turns 16 and 17, providing overtaking opportunities onto the main straight.

Tire degradation is a critical factor for riders throughout stints, as the varying corner types and high average speeds place significant stress on the tires.

Starting at 11:30 local time on Sunday 21 July, the race will run for eight hours until 19:30. Sunset is timed for 19:04, meaning the final half hour will run into dusk.
